NOTICE TO RENEW YOUR DRIVER LICENSE

Your Driver License is about to expire. Our records show that you failed to appear in court or failed to comply with the court judgement for the traffic violation(s) listed below, which resulted in suspension of your driving privilege; or failed to pay 6 or more parking tickets in the court listed below, which makes you ineligible to receive a renewal.

To renew your license you must:

1. Settle each ticket with the court and obtain a clearance card (DS1-62) for each entry.
2. Bring the clearance card(s) to any Secretary of State branch office so that you will be eligible to renew. (This can be done by mail per instructions at bottom of the clearance card.)

You may then apply for renewal of your Driver License.

If you have any questions please contact your local Secretary of State branch office.
