THE PURPOSE AND DESIGN

Many of our current holidays have become commercialized or have lost their deeper meaning. We need to **reinvigorate our appreciation and understanding of America's spirit by reinvigorating our civic calendar.**

Patriot Week focuses on our **First Principles, Founding Fathers and other Patriots, founding documents and speeches, and flags.**

Recognized by *Michigan State Senate and State House Resolutions*, scores of K-12 schools (public, charter, private, and home), universities, law schools, student groups, community organizations (Rotaries, Kiwanis, senior centers, religious, and others), cities, counties, courts, law firms, businesses, senior living communities, libraries, hospitals, historical groups, private homes, public officials, and others engage in a wide range of grassroots activities (including panel discussions, speakers, lesson plans, picnics, commemorations, etc.). Activities occur in MI, NY, OH, CO, AZ, GA, PA, WA DC, IL, with more to come!

Anchored by the key dates of September 11 (the anniversary of the terrorists attacks) **and September 17** (Constitution Day, the anniversary of when the Constitution was signed), each day has a separate focus.
