RE: UPDATED: Public School District Support of the Common Core State Standards

The following list is public school district boards of education and intermediate school district boards that have adopted resolutions in support of the Common Core State Standards since the beginning of August. This list is continually being updated as local school boards hold their meetings. Today, we wanted to share a sampling of the support from around the state with you. If you have any questions about this list or would like updates as available, please contact me at jsmith@masb.org or 517-204-6015.
