The Honorable James Marleau  
Chair, Senate Committee on Health Policy  
Michigan Senate  
PO Box 30036  
Lansing, MI 48909

Senator Marleau,

I am writing in support of Senate Bill 879. I believe that patients should have as much information as possible to make informed decisions about their health care. And even more importantly, informing women that they may additional testing for breast cancer can save lives.

Sincerely,

Michael O. Nelson
