

DRAFT LETTER:

Senator NoFS :

Executive Energy Services, LLC

I am writing today to ask that you vote NO on Senate Bill 437. [COMPANY NAME] opposes Senate Bill 437. This legislation contains provisions that are discriminatory to customers on electric choice. Senate Bill 437 would result in unnecessary additional costs to my company. Ultimately, there are poison pill provisions in the legislation designed to kill electric choice. While we understand the legislation would maintain the cap, certain provisions in the bill would harm our company and reduce our choice further.

In addition, as a company growing in Michigan we need to be able to access competitive energy. The cap on electric choice inhibits our ability to grow our locations while maintaining low energy price options.

EES Represents 100
[COMPANY NAME] employs [# of customers] in Michigan. Thanks to our ability to access choice we are saving \$8.5 million annually. Further we support full choice with no cap which would allow expansion of low cost energy to all of our facilities. Therefore we are asking you to vote NO on Senate Bill 437.
