### Education Funding in Detroit

The diagram illustrates 'School Revenue Streams' for 'LOCAL' and 'CHARTER' schools. It shows 'STATE' funding (Michigan State Education Tax, Michigan State Education Tax Exemption, Michigan State Education Tax Credit) and 'LOCAL' funding (Local Property Tax, Local Sales Tax, Local Income Tax) contributing to both. 'CHARTER' schools also receive 'Charter School Supplemental Funding'.

### Recommendations

- Financially support every student equally.
- One straightforward accountability system for all schools in Michigan.
- Require the State Reform Office to serve its original intent.
