

Appeal Rights

Any appeal must be filed by mail, fax or web account and received within 30 calendar days from the date this notice was issued on the front side of form. If the 30th day is a Saturday, Sunday, legal holiday, or Agency non-work day, the appeal must be received by the Unemployment Insurance Agency (UIA) by the end of the next day which is neither a Saturday, Sunday, legal holiday, nor Agency non-work day. If a appeal is not received within 30 days, a decision will become final and restitution may be due and owing.

If you disagree with a redetermination and want to appeal, request a hearing before an Administrative Law Judge:

- You may mail, fax, or submit an online response to the following: UIA, PO Box 124, Grand Rapids, MI 49501-0124, fax to: 1-616-356-0739, or through your web account at www.michigan.gov/uia.
- All written appeals must be **signed or verified**. However, the Agency may accept an appeal that lacks a signature if the appeal can be verified. The Agency will notify you.

IMPORTANT ADVOCACY INFORMATION: After you appeal your redetermination to the Administrative Law Judge, an Advocate may be able to assist you at the hearing. This service is free to claimants and employers. If you are interested in using an Advocate, once you have received your Notice of Hearing, call the Advocacy Program at 1-800-638-3994 and press Option 2. Provide the Advocate Representative with the Appeal Number from your Notice of Hearing form. Some restrictions in service may apply.

TO THE CLAIMANT: If you appeal, protect your rights by continuing to certify for benefits. Report using MARVIN, either by telephone or via the Internet at www.michigan.gov/uia, and click on either heading, "UIA Online Services for Claimants", or "Certify With MARVIN Online" pending the decision on your appeal. If you go back to work, report this fact when you certify.

In accordance with the provisions of the Michigan Employment Security Act, benefits (re)determined payable in accordance with this (re)determination will be paid, even though a protest may be filed at a later date. **However, if a later redetermination or decision holds that you were not entitled to receive all or part of these benefits, you will be required to repay the benefits improperly received.**

If you have any questions, call the UIA at 1-866-500-0017 (TTY callers use 1-866-366-0004).

METHOD OF SATISFYING 13-WEEK AND 26-WEEK REQUALIFICATION: Disqualifications imposed for a 13-week or 26-week requalification period will be terminated when you complete the required period. You will be credited with a week of requalification for each week in which you:

1. Certify as directed and meet the same requirements that apply to claiming a benefit payment, or
2. Earn at least 1/13th of the minimum high quarter earnings required to establish a benefit year, rounded down to a full dollar amount. For a benefit year beginning 1/4/2009 and after, the amount is \$220.00.

To re-qualify by certifying, you must report using MARVIN, either by telephone OR via the Internet at www.michigan.gov/uia, and click on either heading "UIA Online Services for Claimants" or "Certify With MARVIN Online."

METHOD OF SATISFYING A REWORK REQUIREMENT: A disqualification imposed for a voluntary quit can be terminated after you have worked and earned an amount equal to, or greater than, 12 times your weekly benefit amount. A disqualification imposed for a suspension or discharge for misconduct can be terminated after you have worked and earned an amount equal to, or greater than, 17 times your weekly benefit amount. The earnings must be with an employer liable under the Michigan Employment Security Act or the unemployment compensation law of another state.

ELIGIBILITY FOR BENEFITS AFTER COMPLETION OF REQUALIFICATION OR REWORK: After the requalification or rework requirements are completed, the claimant may be eligible for benefits. If wages earned with the employer involved in the (re)determination fall within the base period of the claim, benefits may be paid to the claimant on the basis of such wages. However, if the requalification requirements are imposed due to a separation under Section 29(1)(h),(i),(j),(k), or (m) of the MES Act, the claimant is not entitled to benefits based on wages earned with the involved employer before the week of disqualification.

INTEREST: Interest accrues at the rate of 1% per month (computed on a daily basis), Section 15(a) of the MES Act.

PENALTIES: If it is determined that you intentionally made a false statement, misrepresented the facts or concealed material information to obtain benefits, then the penalty provisions of Sections 54 and 62(b) of the Michigan Employment Security Act will be applied and you will be subject to any or all of the following: You would have to repay money received and pay a penalty of two times (if less than \$500 of improper payments) or four times (if \$500 or more of improper payments) the amount of benefits fraudulently received. The two times penalty would be increased to a penalty of 4 times the amount of improper payments if it were a second or subsequent offense. Your benefits will be stopped and you will lose remaining benefits. You will be required to pay court costs (if prosecuted) and fines, face jail time, or you may be required to perform community service, or all of these. Intentional misrepresentation to obtain benefits in excess of \$3,500 is a felony and you may be prosecuted in criminal court.
