Dear Senator Lucido,

I write this letter to reflect my support for Dan Eichinger's appointment to Director of the Michigan Department of Natural Resources.

Throughout my time in the legislature, I have been fortunate enough to work closely with Mr. Eichinger. As the former director of the Michigan United Conservation Club (MUCC), Mr. Eichinger knows the importance of our state's natural resources and has worked alongside the department and the legislature to ensure that our most precious resources are being managed properly.

As an avid outdoorsman myself, I know that Mr. Eichinger shares the same love for the outdoors that I and many of you do. With his background in Fisheries and Wildlife and work with MUCC, I have no doubt that Dan Eichinger will be a great Director for the Michigan Department of Natural Resources.

I hope you consider my support for Dan Eichinger when reviewing his appointment to serve as Director for the Michigan Department of Natural Resources. If you have any questions or concerns, please feel free to contact my office by phone at (866) 305-2134 or by email at SenJBumstead@senate.michigan.gov.

Best regards,

A handwritten signature in cursive script that reads "Jon Bumstead".
