The Honorable Peter J. Lucido  
Chairman  
Advice and Consent Committee

Honorable Chairman Lucido and Members of the Committee,

This letter is to formally support Dan Eichinger as the Director of the Department of Natural Resources.

In his position as the Executive Director of Michigan United Conservation Clubs, MTPCA has worked with Dan on many issues concerning sound scientific management of wildlife. He is a fair minded, open, & honest leader who is well respected in the wildlife user group community. Our board of directors has full confidence in his ability to be a very effective Director of the DNR.

Additionally, I have personally known Dan since he was with MUCC almost 20 years ago. I know he has a deep love for Michigan's wildlife as well as our rich outdoor heritage. He is someone I trust and I personally believe he will make an exemplary Director.

Sincerely,

Chris Kettler  
President  
Michigan Trappers & Predator Callers Association
