MESSAGES FROM THE SENATE

[HB 4744](#)

(Booher)

HB 4744 would give local governments the authority to borrow from the state or federal governments, and loan or give the money to private businesses for "economic development." Under current law they are authorized to loan or give away state or federal grant money, but not money they have borrowed from the state or federal governments.

- **HB 4744 was concurred in [RC 450: 98 yes, 3 no]**
