¹For universities, the State share reflects a 75% State match, limited to \$30.0 million. The State share for community college projects is 50%. Michigan State University, Saginaw Valley State University, Wayne State University, and Henry Ford College plan to fund more than the standard institution share, thereby reducing the State match for those projects.

²Last new planning authorization for State funded project.

³Based on capital outlay appropriation bill authorizations for State Building Authority funded projects.

⁴Total State funding rank for capital outlay projects financed through the State Building Authority.
