PROVISIONS CONCERNING ANTICIPATED APPROPRIATIONS FOR FISCAL YEAR 2016-17				
Sec. 2001. Except as otherwise provided in this part, it is the intent of the legislature to provide appropriations for the fiscal year ending on September 30, 2016 for the line items listed in part 1. The fiscal year 2015-2016 appropriations are anticipated to be the same as those for fiscal year 2014-2015, except that the line items will be adjusted for changes in caseload and related costs, federal fund match rates, economic factors, and available revenue. These adjustments will be determined after the January 2015 consensus revenue estimating conference.	Not included.	Not included.	Not included.	Not included.

APPENDIX

New language included by Governor

Sec. 14-808.

(1) From the increased funds appropriated in part 1 for forest management and timber market development, the department shall increase the harvest of timber on state forestlands. The purpose of this program expansion is to expand the forest products economy.

(2) The department shall identify specific outcomes and performance metrics for this initiative, such as increasing the number of acres prepared for timber sale.

Sec. 14-809.

(1) From the increased funds appropriated in part 1 for forest fire equipment and forestry investment, the department shall increase funding for the replacement of aging forest fire suppression equipment that is in disrepair. The purpose of the program expansion is to promote rapid, reliable response to wildfires to protect life, property, and timber assets.

(2) The department shall identify specific outcomes and performance metrics for this initiative, such as reducing average wildfire response time.

Sec. 14-1201.

(1) From the increased funds appropriated in part 1 for forest management and timber market development, the department shall utilize funding made available for increased harvest of timber on state forestlands. The purpose of this program expansion is to strategically invest in technology enhancements to expand the growth of the forest products economy.

(2) The department shall identify specific outcomes and performance metrics for this initiative, such as adding online services to increase access to state government.

Sec. 14-1202.

(1) From the increased funds appropriated in part 1 for land ownership tracking system, the department shall establish a replacement electronic system to facilitate state land records management. The purpose of this new project is to increase access to public land records and to integrate antiquated systems.

(2) The department shall identify specific outcomes and performance metrics for this initiative, such as adding online services to increase access to state government.

Sec. 14-1203.

(1) From the increased funds appropriated in part 1 for invasive species prevention and control, the department shall increase funding available for the interdepartmental invasive species program. The purpose of this program expansion is to prevent, detect, eradicate, and control invasive species.

(2) The department shall identify specific outcomes and performance metrics for this initiative, such as prevention and mitigation of confirmed cases of silver and bighead carp in Michigan's waterways.

New language included by House

Sec. 252.

(1) From the amount appropriated in part 1 for invasive species prevention and control, \$250,000.00 is designated for the department to establish a Zika virus mosquito abatement program. The department shall design program guidelines and practices based on the most up-to-date Zika virus research. The department shall produce an annual report on the progress of the program, the migration of the Asian tiger mosquito in Michigan, and other vital statistics. This report will be submitted to the house and senate natural resources committees, the house and senate appropriations subcommittees on natural resources, and the house and senate fiscal agencies by September 30.

(2) From the funds appropriated in part 1 for invasive species prevention and control, \$150,000.00 shall be allocated as an interdepartmental grant to the department of health and

human services for Zika virus education and outreach, prevention, detection, monitoring, and screening and testing as recommended by the federal Centers for Disease Control and Prevention. By the end of each fiscal quarter of the current fiscal year, the department of health and human services shall report on public health issues in this state related to the Zika virus. The report shall be provided to the house and senate appropriations subcommittees on health and human services and the house and senate fiscal agencies.

Sec. 253.

(1) The department shall add the Asian tiger mosquito to Michigan's invasive species watch list. The department shall monitor the migration of this species, particularly along the Ohio border in the following counties: Hillsdale, Lenawee, and Monroe.

(2) From the appropriation in part 1 for invasive species prevention and control, \$100,000.00 is designated for the department to set traps for the Asian tiger mosquito in the urban areas of the following counties: Hillsdale, Lenawee, and Monroe.

New language included by Conference

Sec. 505.

The department shall develop an urban deer management plan and use it as a basis for discussions with communities to encourage practical, efficient, and science-based management of urban deer nuisance and public safety concerns.

Sec. 1204.

The appropriation in part 1 for the swimmer's itch pilot program shall be distributed to a Michigan-based nonprofit organization for the purpose of pursuing comprehensive, science-based swimmer's itch mitigation and research by appropriately qualified subject matter experts. It is the intent of the legislature that the program continue to receive funding through the fiscal year ending September 30, 2019.
