**GRANT PROGRAM SUMMARY  
FY 2010-11**

<b>DEPARTMENT/BUDGET AREA: AGRICULTURE AND RURAL DEVELOPMENT</b>					
	<b>GRANT/DESCRIPTION/CRITERIA</b>	<b>FUNDING SOURCE</b>		<b>RECIPIENTS</b>	<b>GRANT AMOUNT</b>
<b>1.</b>	<b>Specialty Crop Grants.</b> Federal grants administered by the Michigan Department of Agriculture and Rural Development ranging from \$10,000 to \$75,000 each to enhance the competitiveness of the state's specialty crops, including research, promotion, marketing, trade enhancement, food safety, etc. Eligible applicants include non-profit organizations, local, state, and federal government entities, for-profit organizations, and universities.	Gross Federal	\$1,219,000 \$1,219,000	TBD	\$10,000- \$75,000 each
<b>2.</b>	<b>Equine Grant Program.</b> Grants to encourage the breeding of horses by Michigan residents and promote horse racing within the state. Funding is provided to the licensed tracks, including Northville Downs, Northville Racing Corporation, Sport Creek Harness Raceway, Hazel Harness Raceway, Mount Pleasant Meadows, and Pinnacle Race Course. Funding is also provided to county fairs with horse racing (in 2010, there were 16 county fairs with racing).	Gross Restricted	\$3,425,700 \$3,425,700	Horse breeders, horse owners, licensed equine tracks, and county fairs with horse racing	varies
<b>3.</b>	<b>Wildlife Risk Mitigation Program.</b> Grants support a three year program to assist farms within the bovine tuberculosis area of northern lower Michigan with plans to mitigate the risk of disease transmission between cattle and free-ranging white tailed deer. In fiscal year 2011, the Alpena County Conservation District will receive \$280,000 to assist with cost-share and technical assistance of the project. A total of \$150,000 of the \$280,000 will be provided to producers as sub grants to implement measures to protect cattle feed. Each producer can receive a maximum of \$15,000.	Gross GF/GP	\$280,000 \$280,000	Alpena Conservation District and producers	\$280,000
<b>4.</b>	<b>Livestock Equipment Cost Share Grants.</b> The Bovine Tuberculosis Eradication Program provides producers with five or more cattle within Alcona, Alpena, Montmorency, and Oscoda county with cost share funding for equipment needs necessary to reduce the risk of the spread of Bovine Tuberculosis. The maximum amount a producer is eligible for is \$1,500 if the producer also provides \$1,500 or more of funding.	Gross GF/GP	\$100,000 \$100,000	Cattle producers within Alcona, Alpena, Montmorency, and Oscoda counties	Up to \$1,500
<b>5.</b>	<b>Animal Welfare Program.</b> Grants to help increase the number of sterilized and adopted animals and educate the public on proper care of animals. Funding is provided by a tax check off on the annual state tax forms.	Gross Restricted	\$118,400 \$118,400	Licensed animal shelters	\$3,000- \$10,000
<b>6.</b>	<b>Aquaculture (American Recovery and Reinvestment Act).</b> Provides grant funding to aquaculture producers who suffered financial hardship from rising feed costs.	Gross Federal	\$12,800 \$12,800	Aquaculture producers	varies
<b>7.</b>	<b>Migrant Labor Housing Grants.</b> The Michigan Department of Agriculture and Rural Development administers funding provided by the U.S. Department of Labor National Farm Workers Jobs Program. The grants help farmers improve the quality and capacity of Michigan's migrant housing infrastructure. The grants to farmers require a private match of funds.	Gross Federal	\$330,000 \$330,000	Migrant labor housing owners	varies

**GRANT PROGRAM SUMMARY  
FY 2010-11**

<b>DEPARTMENT/BUDGET AREA: AGRICULTURE AND RURAL DEVELOPMENT</b>					
	<b>GRANT/DESCRIPTION/CRITERIA</b>	<b>FUNDING SOURCE</b>		<b>RECIPIENTS</b>	<b>GRANT AMOUNT</b>
<b>8.</b>	<b>Groundwater and Freshwater Protection Education and Technical Assistance Grants.</b> Provides funding for the development and implementation of educational programs relating to pesticide, nutrient, and on-farm environmental risks as well as grants to Michigan's 79 conservation districts for program direction, oversight, and assistance.	Gross GF/GP	\$1,881,000 0	Conservation districts, MSU, Michigan Turfgrass Foundation, and county agencies	varies
<b>9.</b>	<b>Agriculture Pollution Prevention Program.</b> Federal grants matched with state restricted funding to counties and conservation districts to provide risk reduction and surface and groundwater quality improvements through implementation of conservation practices. Provide funding to implement best management practices to reduce erosion and sedimentation within the watershed area.	Gross Federal	\$1,349,500 \$1,349,500	Conservation districts, counties	varies
<b>10.</b>	<b>Conservation Reserve Enhancement Program.</b> Grants to conservation districts to implement conservation practices on agricultural land to improve water quality, reduce soil erosion, and enhance and increase wildlife habitat.	Gross Restricted	\$188,000 \$188,000	Conservation districts	varies
<b>11.</b>	<b>Food Safety Consumer and Industry Educational Grants.</b> Grants to public health entities, Michigan Restaurant Association, and other food and health institutes to promote food safety through training and multimedia efforts. Funding for the grants is generated from the food establishment license fees (MCL 289.4117).	Gross Restricted	\$250,000 \$250,000	County health departments, Michigan Restaurant Association, and other food and health institutes	\$3,000- \$68,500

\* The table above reflects grant programs administered by the Michigan Department of Agriculture and Rural Development. There are a minimal number of individual grants for specific projects not included in the table above. For example, the department provides a grant to Michigan State University for pesticide applicator training. While the grant supports the pesticide program, the grant is not part of an overall grant program, and therefore, is not reflected in the information above.

	<b>GRANT/DESCRIPTION/CRITERIA</b>	<b>FUNDING SOURCE</b>	<b>RECIPIENTS</b>	<b>GRANT AMOUNT</b>
1.	<p><b>GEAR-UP Program Grants.</b> GEAR-UP stands for Gaining Early Awareness and Readiness for Undergraduate Programs. The goal of this program is to better prepare low-income students in urban areas for post-secondary education. The new Federal grant, announced September 18, 2006, provides six years of funding for the Gear-Up/College Day program which includes early intervention services and scholarships for the low-income youth to prepare for college. The program is run in conjunction with the King-Chavez-Parks College Day program and administered by the Office of Post-Secondary Services.</p>	<p>Gross 3,000,000 Federal 3,000,000</p>	<p>CORPORATION FOR NATIONAL &amp; COMMUNITY SERVICE EDUGUIDE SAGINAW VALLEY STATE UNIVERSITY WAYNE STATE UNIVERSITY</p>	<p>7,785.56  66,127.23 5,538.35  7,285.52</p>
2.	<p><b>Vocational Rehabilitation Customer Support.</b> This line contains \$13,567,255 in funding for the following three grant programs: Services and Facility Grants. These are Federal matching grants that are provided to both local Rehabilitation Services offices and facilities. These grants provide assessments, counseling, and job placement services to individuals who have a physical or mental disability that results in a substantial barrier to work. Many of the clients served by this program are referred from other local and State agencies including the Family Independence Agency, the Employment Service Agency, the Department of Corrections, hospitals, health care organizations and educational institutions.</p> <p>Technology Assistance Grants. This program has recently been changed to the Michigan Assistive Technology Project and the funding is granted through an agreement with the Michigan Disability Rights Coalition. This organization works in an advisory capacity for the State and coordinates with 25 local projects and the Michigan Assistive Technology Clearinghouse to increase local access to assistive technology. Additionally, the grant is also used to support a contract with the Michigan Protection and Advocacy Service for individual legal-based advocacy for disabled individuals.</p> <p>Supported Employment Grants. These grants are provided to individuals who have severe disabilities and who would otherwise not meet the eligibility requirements of vocational rehabilitation but would not be able to function in the workplace without these services. The types of services include job coaching, and transportation. These grants are funded with Federal dollars.</p>	<p>Gross 57,986,700 Federal 44,691,300 Local 8,278,300 Private 300,000 Restricted 1,000,000 GF/GP 3,717,100</p>	<p>Contact Senate Fiscal Agency for details.</p>	<p>Total: 13,567,255</p>

**DEPARTMENT/BUDGET AREA: ENVIRONMENTAL QUALITY**

	<b>GRANT/DESCRIPTION/CRITERIA</b>	<b>FUNDING SOURCE</b>	<b>RECIPIENTS</b>	<b>GRANT AMOUNT</b>
1.	<p><b>Coastal Management Grants.</b> This item includes two grant programs, the Coastal and Estuarine Land Conservation Program (CELCP) Grants, and Coastal Zone Management Grants. The goal of these programs is to protect high quality, sensitive coastal areas; protect rare and threatened species and natural communities; maintain biodiversity and protect the coastal natural communities necessary to support diversity; maintain Michigan's cultural heritage; fulfill recreational needs; utilize previously created conservation and management plans to identify projects that are eligible for funding; ensure lands acquired under this program are effectively managed. Additional information about the</p> <p>The project must: be located within the State's Coastal and Estuarine Land Conservation Program boundary as identified in the Michigan CELCP Plan; be held in public ownership (fee simple or conservation easements) and provide conservation in perpetuity; provide for access to the general public or other public benefit, as appropriate and consistent with resource protection; and promote the goals of the state's CELCP Plan.</p> <p>State of Michigan Departments, Coastal units of government including cities, counties, villages and townships, Area-wide agencies, including regional planning commissions and conservation districts, Universities and school districts, and Tribal governments may apply. Request for Proposals (RFPs) are announced with a deadline for application. Eligible applicants can contact DEQ, Coastal Management Program staff for grant application materials.</p>	<p>Gross 2,000,000 Federal 2,000,000</p>	See DEQ Attachment 1	
2.	<p><b>Great Lakes Remedial Action Plan Grants.</b> The goal of these grants is to implement water quality recommendations in Remedial Action Plans (RAPs) and Lakewide Management Plans (LaMPs). RAPs are developed under the Great Lakes Water Quality Agreement to address sources of contamination in specific areas of concern. LaMPs are developed under the Great Lakes Water Quality Agreement to address sources of contamination in the Great Lakes. Eligible agencies included county or local units of government and non-profit agencies. A request for proposals process was used to solicit proposals for these grants.</p>	<p>Gross 700,000 Federal 700,000</p>	See DEQ Attachment 1	

**GRANT PROGRAM SUMMARY  
FY 2010-11**

**DEPARTMENT/BUDGET AREA: ENVIRONMENTAL QUALITY**

	<b>GRANT/DESCRIPTION/CRITERIA</b>	<b>FUNDING SOURCE</b>	<b>RECIPIENTS</b>	<b>GRANT AMOUNT</b>
3.	<p><b>Federal – Nonpoint Source Water Pollution Grants.</b> The goal of these grants is to reduce, eliminate and prevent nonpoint source pollution with long-term solutions on a watershed basis. This funding source provides for the implementation of physical improvements as well as information/education strategies, land use planning, the installation of easements and related activities. Eligible agencies include county or local units of government and non-profit agencies. A DEQ-approved watershed plan is required to be eligible for implementation funds. Remedial Action Plans (RAPs) and Lakewide Management Plans (LaMPs) are considered approved watershed management plans. All other watershed management plans must be submitted to the DEQ for approval. In addition, starting in fiscal year 2004, all watershed management plans must be upgraded to meet the USEPA's nine planning elements. Request for proposals (RFP) is announced with a deadline for application. Eligible applicants can contact DEQ Nonpoint Source staff for grant application assistance. Prior to application for implementation projects, locally developed watershed management plans should be submitted to the DEQ for review and approval. Depending on the project, a 10-25% match is required.</p>	<p>Gross 6,500,000 Federal 6,500,000</p>	<p>See DEQ Attachment 1</p>	
4.	<p><b>Scrap Tire Grants.</b> The goal of these grants is use available funding to maximize reduction of the public health and environmental concerns associated with scrap tire collection sites, while improving urban renewal and economic development opportunities. Any person may apply for funding to remove abandoned scrap tires or scrap tires accumulated at a collection site from their lands. In addition, the owner of a collection site, a local government agency with jurisdiction, a private entity with written authorization from the landowner, or an end-user with written authorization from the landowner, may apply for funding to remove abandoned scrap tires or scrap tires accumulated at a collection site.</p>	<p>Gross 3,700,000 Restricted 3,700,000</p>	<p>See DEQ Attachment 1</p>

Institutions should encourage participation from those who would otherwise not adequately be represented in the teacher education student population. The program is administered by each State-approved teacher education institution in a manner prescribed by the Michigan Department of Energy, Labor, and Economic Growth. Approved teacher education institutions may and are encouraged to use student support services funding in coordination with the Morris Hood, Jr. funding to achieve the goals of the program.</p>	Gross GF/GP	148,600 148,600	Ferris Wayne State Western	47,000 53,700 47,900

**GRANT PROGRAM SUMMARY  
FY 2010-11**

<b>DEPARTMENT/BUDGET AREA: HUMAN SERVICES</b>					
	<b>GRANT/DESCRIPTION/CRITERIA</b>	<b>FUNDING SOURCE</b>		<b>RECIPIENTS</b>	<b>GRANT AMOUNT</b>
1.	<b>Children's Trust Fund Grants.</b> These direct services grants support 0-3 prevention services for parents identified as being at risk. Funding goes to evidence-based approaches, such as Nurse/Family Partnership and Healthy Families. The grants are competitive and are staggered so that in FY 11, seven new grants were awarded, but there are a total of 20 that are currently active.	Gross GF/GP	\$3,825,100 0	See DHS Attachment 1	
2.	<b>Community Services Block Grant.</b> In Michigan, the current eligible entities are the 30 Community Action Agencies (CAAs) which provide services and resources to all of the state's 83 counties.	Gross GF/GP	\$25,650,000 0	See DHS Attachment 2.	
3.	<b>HUD Supportive Housing Program.</b> The Supportive Housing Program funding is distributed to select Community Action Agencies (CAAs) as part of the State Emergency Relief funding. The program provides emergency housing assistance for low-income families to prevent homelessness.	Gross GF/GP	\$178,554 0	See DHS Attachment 3	
4.	<b>Jim Casey Youth Opportunity Initiative.</b> The Michigan Department of Human Services has a contract grant from Jim Casey Youth Opportunities Initiative to continue implementation of a comprehensive, community based plan for providing opportunities and resources to young persons in transition from out of home care to independent living.	Gross GF/GP	\$21,600 0	See DHS Attachment 4	
5.	<b>Multicultural Integration Funding.</b> Funding for the Arab American Chaldean Council and ACCESS provides services to low-income families and recent immigrants in Southeastern Michigan.	Gross GF/GP	\$1,815,500 648,400	Arab American Chaldea Council/ACCESS	\$1,815,500
6.	<b>Weatherization Assistance.</b> The Weatherization Assistance Program (WAP) is a federally funded, low-income residential energy conservation program. The program provides free home energy conservation services to low-income Michigan homeowners and renters. These services reduce energy use and lower utility bills, thus creating more self-sufficient households. Services are typically administered by local Community Action Agencies.	Gross GF/GP	\$27,400,000 0	See DHS Attachment 5	
7.	<b>Zero to Three Prevention.</b> The initiative delivers evidence-based, community collaborative child abuse & neglect prevention services to expectant families and those with children age birth through three that have been identified to be at-risk. These services are targeted at Michigan's five major urban areas (Genesee, Kent, Macomb, Oakland and Wayne counties). Priority and activities and services is given to families that have a Category III or IV Children's Protective case disposition. The initiative is now administered by the DHS Bureau of Child Welfare.	Gross GF/GP	\$25,650,000 0	See DHS Attachment 6

(A) The need occurred during the time the individual is on active duty.  
 (B) The need occurred because the individual has incurred a line of duty injury or illness.  
 (e) "Reserve components of the United States armed forces" means all of the following:  
 (i) The army national guard of the United States.  
 (ii) The army, naval, marine corps, air force, and coast guard reserves.  
 (iii) The air national guard of the United States.  
 Sec. 3. (1) The military family relief fund is created as a separate fund in the department to offer grants to provide assistance to families of qualified individuals.  
 (2) The military family relief fund shall be expended only as provided in this act.  
 (3) The state treasurer shall credit to the fund all amounts designated for the fund pursuant to section 438 of the income tax act of 1967, 1967 PA 281, MCL 206.438.  
 (4) The state treasurer shall direct the investment of the fund money in the same manner as other funds are invested. The state treasurer shall credit to the fund the interest and earnings from the fund.  
 (5) Money deposited, funds granted, or funds received as gifts or donations to the fund shall be available for disbursement when deposited.  
 (6) Money in the fund at the close of the state fiscal year shall remain in the fund and shall not lapse to the general fund.  
 Sec. 4. (1) Each year that the contribution designation program under section 438 of the income tax act of 1967, 1967 PA 281, MCL 206.438, is in effect, an amount equal to the cumulative designations, plus interest and dividends earned, made under that section shall be appropriated from the general fund to the fund for use solely in support of the purposes provided in this act. No money from the fund shall be used for the purpose of administering the fund or implementing section 438 of the income tax act of 1967, 1967 PA 281, MCL 206.438.  
 (2) The money in the fund shall not be used by the department to replace funds otherwise designated to support similar programs within the department.  
 Sec. 5. (1) A qualified individual or the individual's family shall apply to the department for a grant from the fund. A qualified individual or the individual's family may apply for more than 1 grant in any year.  
 (2) At the time that a qualified individual or the individual's family applies for a grant from the fund, the department shall provide the applicant with copies of financial planning materials and information at no cost to the applicant.  
 (3) The department shall determine criteria and review applications for grants from the fund.

(4) The department shall determine if the applicant is eligible for a grant from the fund and shall determine the amount of the individual's grant.

(5) Not more than 30 days after the department receives an application, the department shall notify the applicant of the receipt of the application and the status of the application which shall be 1 of the following:

(a) The applicant is eligible for a grant, the date when the applicant will receive that grant, and the amount of the grant.

(b) The applicant is eligible for a grant but no funds are available and the application will be kept on file until money becomes available.

(c) The applicant is not eligible for a grant and the reasons why.

(6) If an application is denied because the applicant is not eligible, the applicant is not prohibited from subsequently applying for a grant for that purpose or any other purpose.

(7) Within the first 30 days of each calendar year, the department shall begin to distribute the money that was in the fund at the end of the immediately preceding state fiscal year to grant applicants until the money in the fund is exhausted.

(8) The maximum total amount that any qualified individual and that qualified individual's family can receive in any 1 calendar year is \$2,000.00. If the department determines that the qualified individual or the qualified individual's family is in an emergency situation or their needs are extreme, the department may waive the maximum under this subsection.

Sec. 6. The department may promulgate rules that it considers necessary to implement this act pursuant to the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328.

		Federal	400,000	PROPERTIES LLC	
2.	<b>Forest Stewardship Grants.</b> These grants cover encompass two grant programs.  The first are the Plan Writing Grants. The objective of the Forest Stewardship Program (FSP) plan writing grant is to provide an incentive for certified plan writers to reach out to non-industrial private forest landowners in writing Management Plans. These plans will provide silvicultural, hydrological, recreational and ecological information that will assist eligible landowners make informed choices for the long-term protection and management of the forest ecosystem on their property. All grants which meet approval criteria are approved, subject to available funding and a 50% match from the landowner.  The second group of grants is Outreach and Education Grants. This program is designed to encourage private forest land owners to actively manage their forest ecosystems and to develop long-term management plans that will enhance the understanding of forest systems, while at the same time providing outreach and education to all citizens about stewardship of our natural resources. Local units of government, individuals, nonprofit organizations, and school districts with school forests. Grant funds cannot be used as substitutions for existing program expenditures and may not be used to purchase equipment. A 50% match is required, with a detailed budget prepared that identifies the source of the match dollars.	Gross	3,125,000	GROSSMAN	7,509.45

<b>DEPARTMENT/BUDGET AREA: TRANSPORTATION</b>				
	<b>GRANT/DESCRIPTION/CRITERIA</b>	<b>FUNDING SOURCE</b>	<b>RECIPIENTS</b>	<b>GRANT AMOUNT</b>
1.	<b>Transportation Enhancement (TE) Program.</b> Provides competitive grants to fund projects such as bike paths, streetscapes, and historic preservation of transportation facilities that enhance Michigan's intermodal transportation system, promote walkability, and improve quality of life for Michigan citizens. Michigan receives approximately \$25 million annually.	Federal	25,669,482	See MDOT Attachment 1
2.	<b>Safe Routes to Schools (SRTS) Program.</b> Provides competitive grants to local and intermediate public school districts to make it safe, convenient, and fun for children, including those with disabilities, to bicycle or walk to school. Michigan receives approximately \$5 million annually and Federal regulations require that 70% of funding be used for infrastructure improvements and 10% be used for noninfrastructure activities. The remaining 20% can be used for either. Funding is 100% Federal and requires no local match.	Federal	3,305,549	See MDOT Attachment 2
3.	<b>Transportation Economic Development Fund (TEDF) – Category A Target Industry Grant Program.</b> Provides funding for road improvements that remove transportation impediments in order to attract industry and create and retains jobs in Michigan as well as to meet the demands placed on roads as a result of those developments. Selected projects must be related to developments in seven target industries: agriculture and food processing, tourism, forestry, high tech research centers, manufacturing, mining, and office centers of 50,000 square feet or more in size. Eligible applicants are county road commissions, MDOT, cities, and villages.	Federal	25,894,972	See MDOT Attachment 3
4.	<b>TEDF Category F All Season Road System Grant Program.</b> Provides competitive grants to fund road improvements that increase or preserve the all-season road system within urban areas of rural counties (population less than 400,000). Applicants provide connectivity to the existing all-season system, state trunklines and/or have a high percentage of commercial traffic. Eligible applicants are county road commissions, cities, and villages.	Federal	2,549,200	See MDOT Attachment 4

				Small Business and Technology Development Center (Accelerator fund support services)	3,532,957
<b>6.</b>	<b>Community Development Block Grants.</b> The Michigan Strategic Fund is the fiscal agent for this Federal program, receiving and awarding funds for non-entitlement communities (those with a population of less than 50,000). Projects are to benefit areas where residents have low and moderate incomes. Funds can be awarded for a wide variety of community development, redevelopment, and improvement projects. A portion of the funds are distributed by the Michigan State Housing Development Authority for housing projects.	Gross	\$53,000,000	See MSF Attachment 2 for list of grant recipients in FY 2009-10.	
		Federal	53,000,000

## COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM

The Community Development Block Grant (CDBG) program is a federal grant program utilizing funds received from the U.S. Department of Housing and Urban Development. Funds are used to provide grants to eligible counties, cities, villages, and townships, usually with populations under 50,000, for economic development, community development, and housing projects. The Michigan Strategic Fund, in cooperation with the MEDC, administers the economic development and community development portions of the program.

CDBG GRANT AWARDS Fiscal Year 2010 (10.01.2009-09.30.2010)			
Pass-thru grantee	County	Project description	Approved award amount
