

# **FISCAL YEAR 2018-19 HIGHER EDUCATION APPROPRIATIONS REPORT**

**A REPORT TO THE  
SENATE AND HOUSE APPROPRIATIONS  
SUBCOMMITTEES ON HIGHER EDUCATION**

**Prepared by:**

**Bill Bowerman, Senate Fiscal Agency  
Perry Zielak, House Fiscal Agency**

**September 2018**

# **APPROPRIATIONS SUBCOMMITTEES ON HIGHER EDUCATION**

## **SENATE SUBCOMMITTEE MEMBERS**

Sen. Tonya Schuitmaker, Chair  
Sen. Peter MacGregor, Majority Vice Chair  
Sen. Curtis Hertel, Jr., Minority Vice Chair

## **HOUSE SUBCOMMITTEE MEMBERS**

Rep. Kim LaSata, Chair  
Rep. Larry Inman, Majority Vice Chair  
Rep. Rob VerHeulen  
Rep. Aaron Miller  
Rep. Jon Hoadley, Minority Vice Chair  
Rep. Yousef Rabhi

## ACKNOWLEDGMENTS

---

Consistent with past practice, this report has been prepared to provide a precise record of how appropriation amounts in the fiscal year (FY) 2018-19 Higher Education budget were calculated.

The report was prepared by Bill Bowerman, Associate Director, Senate Fiscal Agency, and Perry Zielak, Fiscal Analyst, House Fiscal Agency. Megan Hyde, Senate Fiscal Agency, provided word processing support and Fred Cremeans, Senate Fiscal Agency, provided technical assistance.

Visit our websites, [www.senate.michigan.gov/sfa](http://www.senate.michigan.gov/sfa), or [www.house.mi.gov/hfa](http://www.house.mi.gov/hfa) for a copy of this report.

## **A. OVERVIEW**

In FY 2011-12, the Higher Education budget was merged into the compiled School Aid Act (as Article III of that act), rather than being enacted as a standard one-year budget bill. The FY 2018-19 budget continues the practice of including the Higher Education budget in the School Aid Act. The Senate and House used separate vehicle bills to develop the FY 2018-19 Higher Education budget. The Senate version of the budget was contained in Senate Bill 857. House Bill 5579 contained the House version and was also used for the enacted Higher Education budget (as well as the other two major education-related budgets, School Aid and Community Colleges). Table 1 provides an overall summary of the Governor's recommended budget, the Senate- and House-passed versions, and the budget as enacted.

## **B. UNIVERSITY OPERATIONS: PERFORMANCE FUNDING**

Beginning with FY 2012-13, university funding increases have been allocated to individual universities using performance funding metrics. The performance funding formula has been used only to allocate year-over-year funding increases to Michigan's 15 public universities. The performance increases for each year have been rolled into each university's base amount for the subsequent year.

The original formula for FY 2012-13 was the product of a compromise between different formulas proposed by the administration, House, and Senate for that year. Modifications to the formula have been made in subsequent budget processes. For details on each year's performance funding formula, see that year's Higher Education Appropriation Report. The FY 2018-19 budget allocates half of the funding increase proportionate to FY 2010-11 appropriations (across-the-board), and utilizes six performance metrics to allocate the balance of the funding. The metrics include:

- Undergraduate degree completions in critical skills areas
- Research and development expenditures
- Six-year graduation rate
- Total degree completions
- Institutional support expenditures (administrative costs) as a percentage of total core expenditures
- Percentage of students receiving Pell Grants.

For the first two components listed, funds are allocated to the universities in direct proportion to the metric. For the remaining four components, each university receives a score based on how its performance compares with national public peers and funds are allocated in proportion to each university's total score, weighted by the size of the university's undergraduate enrollment.

Section 265a of the annual Higher Education Budget Act (MCL 388.1865a) describes the performance funding formula components in general terms. Calculated performance funding amounts for each university are appropriated in the budget act separately from the ongoing base operations appropriation for each university. Universities must comply with certain policy requirements in order to receive the performance funding amount. The requirements are delineated in Section 265, Section 265a, and Section 265b of the School Aid Act.

More details on each of the performance metrics and requirements are provided below, with a focus on the formula methodology utilized for the FY 2018-19 budget.

**Funding Proportional to FY 2010-11 Appropriations**

Fifty percent of the overall FY 2018-19 funding increase, equal to \$14.3 million, is distributed in proportion to FY 2010-11 appropriation amounts in order to recognize the significant reduction in appropriations made from FY 2010-11 amounts in the FY 2011-12 budget. FY 2011-12 included a 15.0% across-the-board reduction to university operations.

**Undergraduate Degree Completions in Critical Skills Areas<sup>1</sup>**

For FY 2018-19, \$3.2 million (11.1% of the university funding increase) is allocated based on the number of undergraduate degrees and certificates completed at each university in a critical skills area. Average weighted completions included in this component totaled 17,643, so each university receives \$179.90 per completion.

Data for this component are taken from the Federal IPEDS database.<sup>2</sup> (The same data are also included in the state's HEIDI database.<sup>3</sup>) Calculations are made based on a two-year average for the most recent years available (FYs 2015-16 and 2016-17 for the FY 2018-19 formula).

Completions are weighted based on the length of time it normally takes to complete the undergraduate degree or certificate. Degrees and certificates are weighted as follows:

<u>Category</u>	<u>Weight</u>
Bachelor's Degree	1.000
Associate's Degree	0.500
Certificates of more than 1 but less than 2 academic years	0.375
Certificates of less than 1 academic year	0.125

---

<sup>1</sup> Degree and certificate completions are reported based on the Federal Classification of Instructional Programs (CIP).

<sup>2</sup> IPEDS stands for "Integrated Postsecondary Education Data System." The IPEDS public website is available at: <http://nces.ed.gov/ipeds/>.

<sup>3</sup> HEIDI stands for "Higher Education Institutional Data Inventory." Summary HEIDI data is available at: [http://www.senate.michigan.gov/sfa/Departments/DataCharts/DChed\\_SummaryData2018.pdf](http://www.senate.michigan.gov/sfa/Departments/DataCharts/DChed_SummaryData2018.pdf) or [http://www.house.mi.gov/hfa/PDF/HigherEducation/Higher\\_Ed\\_HEIDI\\_Summary\\_Report\\_fy12-13andfy16-17.pdf](http://www.house.mi.gov/hfa/PDF/HigherEducation/Higher_Ed_HEIDI_Summary_Report_fy12-13andfy16-17.pdf).

Program areas classified as "critical skills areas" are as follows:

- Agriculture, Agricultural Operations, and Related Sciences
- Architecture and Related Services
- Biological and Biomedical Sciences
- Communications Technologies/Technicians and Support Services
- Computer and Information Sciences and Support Services
- Construction Trades
- Engineering
- Engineering Technologies and Engineering-Related Fields
- Health Professions and Related Programs Sciences
- Mathematics and Statistics
- Mechanic and Repair Technologies/Technicians
- Military Technologies and Applied Sciences
- Natural Resources and Conservation
- Physical Sciences
- Precision Production
- Science Technologies/Technicians
- Transportation and Materials Moving

### **Research and Development Expenditures**

For FY 2018-19, \$1.6 million (5.6% of the university funding increase) is allocated based on the level of research and development (R&D) expenditures made at each of the eight universities classified as a "doctoral universities: moderate/higher/highest research activity" under the Carnegie Classification of Institutions of Higher Education: Michigan State, UM-Ann Arbor, Wayne State, Central, Michigan Tech, Western, Eastern, and Oakland. (More information on Carnegie Classifications is presented in the next section.) Research and development expenditures at the eight universities totaled \$1.5 billion, so the eligible universities receive performance funding at a rate of \$0.0011 per dollar of R&D expenditures.

Data for this component are taken from the Federal IPEDS database based on the most recent year available (FY 2015-16 for the FY 2018-19 formula).

### **Carnegie Peer Comparison-Based Metrics**

For FY 2018-19, \$9.5 million (33.3% of the university funding increase) is based on four metrics under which universities are compared to their national peers. The four metrics are six-year graduate rate, total degree completions, institutional support as a percentage of core expenditures, and the percentage of students receiving Pell Grants. Scores are weighted according to each university's undergraduate fiscal year equated students (FYES; a full-time equated measure of enrollment). Total weighted scoring across the four metrics is 1,418,792 points, so universities receive \$6.71 per weighted point.

Universities are scored on their performance relative to public universities across the nation that have been classified into the same Basic Classification under the system developed and periodically updated by the Carnegie Foundation.<sup>4</sup> The primary basis for classification is the highest level (bachelor's vs. master's vs. doctoral) and quantity of instruction provided by a university. Level of research expenditure serves as a further basis for classification within the doctoral category.

The Carnegie component originated as a new proposal included during conference committee negotiations for the FY 2012-13 Higher Education budget. In recent years, the Carnegie Classification has been updated every five years. On February 1, 2016, the 2015 update of the Carnegie Classification was released and three Michigan public universities (Central, Eastern, and Ferris) were among the universities whose basic classification changed from the 2010 classification.

Scores for each of the four Carnegie based metrics are awarded as follows:

- 3 points for top 20 percent nationally
- 2 points for above the national median
- 2 points for improving over a 3-year period

Section 265a states legislative intent that the score for "improving over a 3-year period" will be reduced to 1 point for the FY 2019-20 budget. (The language stating the intent to reduce the score for improving in the subsequent fiscal year has been included since FY 2013-14, but the change has not been implemented).

Scores are totaled across the four Carnegie-based components and multiplied by the total number of undergraduate FYES at each university to correlate funding increases with university size. Both resident and nonresident students are included in the undergraduate FYES count. (Weighting based on FYES was not introduced until the FY 2013-14 budget. In FY 2012-13, smaller universities tended to receive larger percentage increases.) FYES data is taken from the state's HEIDI database, utilizing the most recent year available (FY 2016-17 for the FY 2018-19 budget).

---

<sup>4</sup> In 2015, responsibility for the Carnegie Classification of Institutions was transferred to Indiana University's Center for Postsecondary Research. For more information, see this website: <http://carnegieclassifications.iu.edu/>.

The data utilized for comparisons with national peers is (by necessity) taken from the Federal IPEDS database. This creates a longer data lag. For the FY 2018-19 budget, FY 2014-15 data is utilized for the comparisons, with improvement being measured from FY 2011-12 to FY 2014-15. (The exception is the Pell Grant component, for which the comparison is over a two-year period).

Over the seven years the performance formula has been utilized, all calculations for the Carnegie-based components have been provided by the Anderson Economic Group in conjunction with the Business Leaders of Michigan and the Michigan Association of State Universities. The scoring provided by those organizations has been used to allocate funds distributed under the Carnegie-based components of the formula.

The four Carnegie-based data components are as follows:

### **Six-Year Graduation Rate**

Federal graduation rates measure the percentage of first-time, full-time, degree-seeking students at an institution that complete a bachelor's degree within six years at the same institution. The rates are based on the group of students who started college six years prior to the year for which the rates are reported (FY 2008-09 for the FY 2014-15 rates). The subset of students included in the rate calculations does not include students transferring in from other institutions or enrolling on a part-time basis. A student transferring to another institution and completing a degree does not count as a successful completion at the original institution.

For the FY 2018-19 budget, three of the 15 universities were in the top 20% nationally for this measure and six were above the national median. Of the remaining six universities, five had improved over the relevant three-year period.

### **Total Degree Completions**

This data component captures total degree and certificate completions at each university, including both undergraduate and graduate programs. Degrees and certificates in all program areas are included. This is a gross measure of degree productivity, with no control for university size, so a smaller university will face a larger challenge in reaching the top-20% or median marks nationally. For the FY 2018-19 budget, seven of the 15 universities were in the top 20% nationally for this measure and three were above the national median. Of the remaining five universities, four had improved over the relevant three-year period.

### **Institutional Support as a Percentage of Core Expenditure**

This data component serves as a measure of administrative efficiency. Under the Federal IPEDS database, "core expenditures" are defined (in part) as "Total expenses for the essential education activities of the institution." Institutional support is defined as:

*A functional expense category that includes expenses for the day-to-day operational support of the institution. Includes expenses for general administrative services, central executive-level activities concerned with management and long-range planning, legal and fiscal operations, space management, employee personnel and records, logistical services such as purchasing and printing, and public relations and development. Also includes information technology expenses related to institutional support activities. If an institution does not separately budget and expense information technology resources, the IT costs associated with student services and operation and maintenance of plant will also be applied to this function.*

For the FY 2018-19 budget, none of the 15 universities were in the top 20% nationally for this measure and seven were better than the national median. Of the remaining eight universities, two had improved over the relevant three-year period.

### **Pell Grant Students**

This metric was added in FY 2014-15 and serves as a measure of access for low-income students. The Pell Grant is a Federal financial aid grant awarded based on student financial need. The measure was refined in the FY 2015-16 budget to be based on the percentage of students receiving Pell Grants, rather than the number of students receiving Pell Grants, a change that reduces the competitive disadvantage that smaller schools experienced under the previous version.

For the FY 2018-19 budget, one university was in the top 20% nationally for this measure and seven were above the national median. Of the remaining seven universities, one had improved over the relevant two-year period.

### **Performance Funding Requirements**

In order to qualify for the funding increase allocated to each university for FY 2018-19, a university must comply with four policy requirements:

- Comply with tuition restraint requirements under section 265 of the budget, which includes limiting the increase in resident undergraduate tuition and fees for FY 2018-19 to no more than 3.8% or \$490, whichever is greater. (Section 265).
- Certify that the university participates in reverse transfer agreements with at least three Michigan community colleges. A reverse transfer agreement allows a student who transfers from a community college to a four-year university and subsequently completes sufficient credits to receive an associate's degree to be awarded that degree by the community college. (Section 265a)
- Certify that the university's dual enrollment policy does not consider use of dual enrollment courses toward high school graduation requirements as a consideration for awarding college credit for the courses. (Section 265a)
- Actively participate in, and submit timely updates to, the Michigan Transfer Network, an online service for students that provides course transfer equivalencies across all public colleges and universities and most independent colleges and universities in the state. (Section 265a)

Universities must certify that they have complied with these requirements of Sections 265, and Section 265a by August 31, 2018. Any funds forfeited due to noncompliance are reallocated to compliant universities in proportion to their FY 2017-18 funding increase amounts.

In addition, universities are subject to a 10% penalty on operations funding if they fail to certify that they have complied with policy requirements related to sexual assault prevention and Title IX reporting requirements found in sections 265b, 274c, and 274d. The requirements include:

- Prohibit the use of medical experts with an actual or apparent conflict of interest in Title IX investigations.
- Prohibit the issuance of divergent Title IX investigation reports.
- Inform the victims of sexual assault about their option to report the incident to law enforcement, the university, both or neither.
- Institute an in-person sexual assault prevention course or presentation for all freshmen and incoming transfer students and an electronic course or presentation for all other students.
- Prohibit compensation for medical procedures and related charges from medical professionals convicted of a felony.
- Have a third party review the Title IX office and policies before the end of the 2018-19 academic year and provide the review to the State Budget Office, the House and Senate Higher Education appropriations subcommittees and the fiscal agencies. A third party review would take place every three years after the 2018-19 academic year.
- Require that the governing board and the president or chancellor shall receive not less than quarterly reports from the Title IX office on aggregated data on sexual misconduct. A governing body member may request a Title IX report against an employee. The universities must protect the anonymity of complainants in the reports.
- Require a school's Title IX office to notify the president or chancellor and the governing board about allegations against an employee where more than one Title IX complaint resulted in a no misconduct filing and to take steps to ensure the complaint is being investigated thoroughly.
- Certify to the State Budget Director that the president or chancellor and one governing body board member have reviewed all Title IX reports involving university employees.
- Report of efforts to develop and implement sexual assault response training for key personnel. (Section 274c)
- Submit the annual Title IX report on student sexual misconduct and a Title IX summary report to the Higher Education appropriations subcommittees, the fiscal agencies, the Attorney General and the state budget director. (Section 274d)

On September 14, 2018, the State Budget Director reported that all universities had certified compliance with performance funding and Title IX requirements of Sections 265, 265a, 265b, 274c, and 274d.

Table 2 provides details on initial performance funding calculations. Tables 3 through 6 detail the Governor's, House's, Senate's, and enacted versions of the FY 2018-19 Higher Education budget. Table 7 provides information on appropriations per fiscal-year-equated student (FYES).<sup>5</sup> Table 8 identifies the funding sources for each university's appropriation.

### **C. MICHIGAN PUBLIC SCHOOL EMPLOYEE RETIREMENT SYSTEM (MPSERS)**

Since FY 2012-13, the Higher Education budget has provided support for the seven universities (Central, Eastern, Ferris, Lake Superior State, Michigan Tech, Northern, and Western) with employees remaining in MPSERS.<sup>6</sup> Since FY 2015-16 the funding allocation has been based on a rate cap on the employer's share of Unfunded Actuarial Accrued Liability (UAAL) costs. The Public School Employees Retirement Act was amended by Public Act 136 of 2016 to establish the 25.73% cap on employer's (university) contributions for MPSERS UAAL payments.

### **D. NORTH AMERICAN INDIAN TUITION WAIVERS**

In FY 1996-97, funding totaling \$2.4 million was added to university base appropriations for costs incurred by the universities under Public Act 174 of 1976, the Waiver of Tuition for North American Indians Act. Additional funding of \$1.4 million was allocated for this purpose in FY 2007-08. In FY 2014-15, an additional \$500,000 was separately appropriated for Indian Tuition Waivers with boilerplate allocating the funds among universities according to the estimated funding shortfalls between appropriations and actual costs of the waiver. In FY 2015-16, the \$500,000 was incorporated into the base funding for universities based on waiver-eligible enrollment as a proportion of total enrollment. In FY 2017-18 and FY 2018-19, a separate \$300,000 GF/GP appropriation was included to partially offset the continuing shortfall in state funding for Indian Tuition Waivers. Section 268(2) provides that the \$300,000 shall be prorated proportionate to each institution's shortfall as a percentage of its state appropriation. Table 9 lists, for each university, the FY 1996-97 tuition waiver amount added to the base, the FY 2007-08 amount, the additional FY 2014-15 \$500,000 (as rolled into base appropriations in FY 2015-16), and a column reflecting non-performance based adjustments to university appropriations since FY 1996-97. Adjustments in recent years have included the FY 2011-12 across-the-board 15.0% reduction to university operations, and non-performance based increases in FY 2014-15, FY 2016-17, FY 2017-18, and FY 2018-19. The distribution of the FY 2018-19 \$300,000 appropriation will be determined in November 2018.

---

<sup>5</sup> One FYES is the equivalent of one student taking 30 credit hours during one fiscal year.

<sup>6</sup> Employees hired at those universities since 1996 are not included in MPSERS. Employees at the eight other public universities were never included in MPSERS.

Note that these calculations reflect historical appropriation adjustments related to Indian Tuition Waivers, but the budget article does not contain language formally allocating the funds for that purpose. Additionally, the FY 2018-19 budget continues allocations to Bay Mills Tribal College (\$100,000) and to Saginaw Chippewa Tribal College (\$29,700) for tuition waiver costs that are passed through the appropriations to Lake Superior State University and Central Michigan University, respectively, under sections 269 and 270 of the State School Aid Act.

#### **E. MARTIN LUTHER KING, JR. - CESAR CHAVEZ - ROSA PARKS INITIATIVE**

There were no policy changes for the six King-Chavez-Parks (KCP) Programs for FY 2018-19. Table 10 provides an overview of funding for the \$4.9 million initiative. Table 11 lists the dollar amounts allocated from each university's appropriation for the College Day, Future Faculty, and Visiting Professors Programs. Amounts for those programs have been adjusted based on non-performance based increases to university operations appropriations.

#### **F. MSU AGBIORESEARCH AND EXTENSION**

The AgBioResearch and Extension programs operated by Michigan State University provide services throughout the state. There is an increase of \$678,300 (2.0%) for AgBioResearch and \$585,100 (2.0%) increase for Extension. FY 2018-19 appropriation amounts are \$34.6 million for MSU AgBioResearch and \$29.8 million for MSU Extension. Boilerplate sets performance goals for these programs. (Section 263a)

#### **G. STATE COMPETITIVE SCHOLARSHIPS**

Public Act 208 of 1964 created the State Competitive Scholarship Program, which provides grants to students who score well on the Scholastic Aptitude Test (SAT) and have demonstrated financial need. The initial FY 2017-18 appropriation for the program was increased by \$8.0 million (43.6%) for a total of \$26.4 million. A supplemental appropriation (Public Act 265 of 2018) increased funding by another \$6.0 million, resulting in a total appropriation of \$32.4 million in FY 2017-18. Language (Section 251) specifies that the maximum award be at least \$1,000.

For all three major state financial aid programs, state-level support continues to be funded primarily with Federal Temporary Assistance to Needy Families (TANF) funding. State Competitive Scholarships are funded by \$24.4 million TANF and \$8.0 million GF/GP.

## **H. TUITION GRANTS**

Public Act 313 of 1966 created the Tuition Grant Program, which provides grants to students with demonstrated financial need enrolled at Michigan independent colleges and universities. The initial FY 2017-18 budget increased the program's funding by \$3.0 million GF/GP (8.6%), bringing the total appropriation to \$38.0 million. An FY 2017-18 supplemental appropriation (Public Act 265 of 2018) decreased funding by \$6.0 million, resulting in total funding of \$32.0 million in FY 2017-18. The FY 2018-19 budget restores funding for the program to \$38.0 million. Provisions capping total awards at any institution (specifically Baker College and Davenport University) was increased from \$3.5 million to \$4.2 million. Section 252 specifies that the maximum award amount be at least \$2,400, an increase of \$400 from the \$2,000 minimum/maximum payment set in FY 2017-18 boilerplate. The Tuition Grant Program is funded by \$31.7 million TANF and \$6.4 million GF/GP.

## **I. TUITION INCENTIVE PROGRAM**

The Tuition Incentive Program (TIP) offers two years of associate's degree tuition (Phase I) and up to \$2,000 at a four-year institution (Phase II) for Medicaid-eligible middle school and high school students who proceed to graduate from high school. The FY 2018-19 budget funds the program at \$64.3 million, \$6.0 million more than FY 2017-18. In FY 2016-17 due to TIP increasing costs, new language was included (Section 256 (4)) stating that beginning in FY 2017-18, no more than \$8.5 million annually in TIP funds shall be awarded to eligible students enrolled in the same college or university. That cost constraint was removed in the FY 2018-19 budget. The FY 2017-18 budget continued efforts to control increasing TIP costs by providing that beginning in FY 2018-19, Phase I payments for individuals enrolled in public universities shall be limited to mandatory fees and a per credit payment that does not exceed 3 times the average community college in-district per credit tuition rate for the previous year. That cost constraint was also removed in the FY 2018-19 budget. The TIP is funded entirely by \$64.3 million TANF.

## **J. CHILDREN OF VETERANS TUITION AND OFFICER'S SURVIVOR TUITION GRANT PROGRAMS**

Public Act 248 of 2005 established a new Children of Veterans Tuition Grant Program (CVTGP) to replace a program that had been created by Public Act 245 of 1935, which was repealed. Public Act 195 of 1996 established the Officer's Survivor Tuition Grant Program. For FY 2017-18, total funding for the programs remains unchanged at \$1.4 million. Of that amount, \$100,000 is appropriated from contributions through the income tax check-off for the CVTGP, with the remainder funded from the GF/GP funds.

## **K. MPSERS NORMAL COST OFFSET**

The FY 2018-19 Higher Education budget included a \$669,000 School Aid Fund appropriation to reimburse universities for the normal cost increase to reduce the assumed rate of return for MPSERS from 8% to 7.5%.

## **L. FUNDING SHIFT**

The enacted budget shifts a total of \$234.5 million for university operations from the State General Fund to the SAF. This results in a total Higher Education SAF appropriation of \$500.1 million.

## **M. OTHER APPROPRIATIONS ITEMS**

Funding for the Midwestern Higher Education Compact dues (\$115,000 GF/GP), Project GEAR UP (\$3.2 million Federal), and the Higher Education database maintenance costs (\$200,000 GF/GP) remained unchanged from the previous fiscal year.

## **N. APPROPRIATION ADJUSTMENT DETAIL**

This section, which starts on page 28, details appropriation adjustments for each university and other appropriation items.

## **O. BOILERPLATE REPORTS**

The final section of this report provides a detailed list of reports required from public universities and other entities under the FY 2018-19 Higher Education budget article of the State School Aid Act.

Table 1: FY 2018-19 Higher Education Initial Appropriation (2018 PA 265)

^ via Business Leaders for Michigan and Anderson Economic Group

Scoring Based on Carnegie Peers	
Top 20% nationally	3
Above national median	2
Improving over 3 years	2

- \*Requirements to receive performance funding increase for next 3 fiscal years:**
1. Restrain FY 2018-19 resident undergraduate tuition/fee rate increase to 3.8% or \$490 (whichever is greater)
  2. Participate in at least three reverse transfer agreements with community colleges
  3. Maintain a dual enrollment credit policy that does not consider whether credits were used toward high school graduation
  4. Actively participate in and submit timely updates to the Michigan Transfer Network

- Requirements to avoid a 10% reduction in operations funding:**
1. Submit Sec. 274c & 274d Title IX reports
  2. Comply with various Title IX requirements listed in Sec. 265t

**Table 3: FY 2018-19 Higher Education Appropriation Governor's Recommendation Detail**

Lake Superior	276,146	181,500	215,000		(34,951)	637,695
Michigan State	313,968	192,800	8,800		(46,438)	469,130
Michigan Tech	58,509	50,800	14,900		(9,888)	114,321
Northern	264,054	130,600	61,100		(33,570)	422,184
Oakland	50,610	50,300	7,800		(9,460)	99,250
Saginaw Valley	37,266	28,600	11,400		(5,803)	71,463
UM-Ann Arbor	432,567	139,500	4,400		(49,832)	526,635
UM-Dearborn	58,541	21,800	11,700		(6,688)	85,353
UM-Flint	54,531	21,100	21,900		(5,937)	91,594
Wayne State	169,537	94,700	10,100		(23,813)	250,524
Western	111,851	58,900	19,100		(14,866)	174,985
FY 2018-19 Separate Appropriation				300,000		300,000
<b>Total</b>	<b>\$2,345,676</b>	<b>\$1,400,000</b>	<b>\$500,000</b>	<b>\$300,000</b>	<b>(\$327,117)</b>	<b>\$4,218,559</b>
<sup>1)</sup> FY 2014-15 included a separate \$500,000 appropriation to partially offset shortfalls between appropriations and actual costs of the waiver. That appropriation was rolled into appropriations for university operations in FY 2015-16.						
<sup>2)</sup> FY 2017-18 and FY 2018-19 included a separate \$300,000 appropriation to partially offset shortfalls between appropriations and actual costs of the waiver. Pursuant to Section 268 (2) of the State School Aid Act, amounts are prorated each year proportionate to each institution's previous year shortfall as a percentage of its current fiscal year State appropriation for operations. The FY 2018-19 distribution of the \$300,000 will not be calculated until November 2018.						
<sup>3)</sup> Adjustments in this column are based on funding increases/decreases since FY 1996-97 that were across-the-board (not performance based).						
<b>Note:</b> Amounts shown reflect historical budget adjustments related to Indian Tuition Waivers; no formal earmark of funds is made, except that \$100,000 is allocated to Bay Mills Tribal College through Lake Superior State's appropriation and \$29,700 is allocated to Saginaw Chippewa Tribal College through Central Michigan's appropriation (above and beyond amounts shown above).						

**Table 10: MARTIN LUTHER KING, JR. - CESAR CHAVEZ - ROSA PARKS INITIATIVE**

<b>King-Chavez-Parks Program Components:</b>	<b>FY 2018-19 Funding</b>	
College Day - students in grades 6-11 visit campuses .....	\$1,044,505	Allocations from each university's operations appropriations
Future Faculty Fellowships - stipends for graduate students pursuing postsecondary teaching .....	1,057,986	
Visiting Professors - payments for visiting professors who lecture on campuses .....	<u>148,061</u>	
Subtotal .....	\$2,250,552	
Select Student Support Services - grants for student retention projects .....	\$1,956,100	Appropriated in a separate unit as grant programs
College/University Partnership - grants to increase number of transfer students .....	586,800	
Morris Hood, Jr. Educator Development - grants to increase completion of K-12 teaching degrees ...	<u>148,600</u>	
Subtotal .....	\$2,691,500	
<b>Total.....</b>	<b><u>\$4,942,052</u></b>	

**Table 11: FY 2018-19 ALLOCATIONS FOR COLLEGE DAY, FUTURE FACULTY, AND VISITING PROFESSORS**

<b>University</b>	<b>College Day</b>	<b>Future Faculty</b>	<b>Visiting Professors</b>

**Notes:**

- 1) Per HEIDI reporting requirements, and consistent with Sec. 265 of the State School Aid Act, rates are reported based on four class levels. Rates are based on 30 credit hours (15 in Fall, 15 in Winter/Spring) and exclude fees not paid by a majority of students in a given class (most course fees), as well as refundable fees.
- 2) University-Specific Notes:  
 Michigan Tech – Assumes engineering/computer science majors (majority of MTU enrollment).  
 UM-Ann Arbor – Rates are for College of Literature, Science, and Arts.  
 UM-Dearborn – Rates are for College of Arts, Sciences, and Letters.

**Sources:** University tuition certification reports, university websites, and fiscal agency calculations

# **BOILERPLATE REPORTS REQUIREMENTS**

---

<b>HIGHER EDUCATION</b>				
<b>Section</b>	<b>Subject of Report</b>	<b>Reporting Entity</b>	<b>Report Recipient(s)</b>	<b>Due Date</b>
241 (2)	Higher Education Institutional Data Inventory (HEIDI) Data Submission.	Public Universities	State Budget Director	October 15, 2018 November 15, 2018 Final Data: December 15, 2018.
244	P-20 Education Longitudinal Data System data set for the previous academic year.	Public Universities	Center for Educational Performance and Information (CEPI)	October 15, 2018
245 (1) & (2)	Budget Transparency Reporting Requirements - Annual operating budget, current and projected expenditures, and employee costs and benefits. Links to collective bargaining agreements, health care benefit plans, audits and financial reports, campus security policies, debt service obligations, dashboards with best practice measures.	Public Universities	To be made available on each university's website homepage	Within 30 days after the university board adopts its annual operating budget for the following fiscal year, or after the board adopts a subsequent revision to that budget.
245 (6)	Reporting on opportunities for earning college credit through career and technical education, direct college credit, concurrent enrollment, dual enrollment, and early/middle college.	Public Universities	CEPI and post on university website	November 15, 2018
245a	Certification that university has complied with requirement that it has a link to information on "Campus Safety Information and Resources" located on its website.	Public Universities	State Budget Director	August 31, 2018
251 (2)	State Competitive Scholarship Program. Notification when Department of Treasury determines that insufficient funds are available to establish a maximum award amount equal to at least \$1,000.	Department of Treasury	SAC and HAC subcommittees on Higher Education, SFA, HFA, State Budget Director	Immediately
252 (3)	Tuition Grants - Notification when the Department of Treasury determines that insufficient funds are available to establish a maximum award amount equal to at least \$2,400.	Department of Treasury	SAC and HAC subcommittees on Higher Education, SFA, HFA, State Budget Director	Immediately
252 (3)	Confirm that Tuition Grant award commitments will not exceed appropriations.	Department of Treasury	SFA, HFA, State Budget Director	Confirm by February 18, 2019. Report by no later than final day of February.
252 (8)	Tuition Grants - reporting on completions, remedial classes, and number of Pell grant recipients.	Independent colleges and universities	Department of Treasury	October 31, 2018

<b>HIGHER EDUCATION</b>				
<b>Section</b>	<b>Subject of Report</b>	<b>Reporting Entity</b>	<b>Report Recipient(s)</b>	<b>Due Date</b>
252 (9)	Independent Colleges and Universities - reporting on efforts to develop and implement sexual assault response training.	Independent colleges and universities that participate in the Tuition Grant program.	SAC and HAC subcommittees on Higher Education, SFA, HFA, State Budget Director	February 1, 2019
256 (12) & (13)	Tuition Incentive Program - data on completions, graduation rates, and PELL recipient data.	Treasury and CEPI	P-20 Longitudinal Data System	December 1, 2019
257	Independent Institution Grant Data.	Independent College and Universities	Legislature and State Budget Director	Upon request
258	Student financial aid programs annual report.	Department of Treasury	Post on Department of Treasury public website	February 15, 2019
263a	Expenditures, metric goals, and program review for MSU AgBioResearch and Extension.	Michigan State University	SAC and HAC subcommittees on Agriculture and Higher Education, Senate and House Standing Committees on Agriculture, SFA, HFA, State Budget Director	September 30, 2019
265	Tuition Restraint - Certification of whether tuition/fee rate actions satisfy tuition restraint requirements in order to qualify for receipt of performance funding.	Public Universities	SAC and HAC subcommittees on Higher Education, SFA, HFA, State Budget Director	August 31, 2018
265a (1)	Performance Funding - Certifications on prerequisites to qualify for performance funding: reverse transfer agreements, dual enrollment policy, Michigan Transfer Network.	Public Universities	SAC and HAC subcommittees on Higher Education, SFA, HFA, State Budget Director	August 31, 2018
265a (3)	Performance Funding - Report on amounts withheld due to noncompliance and redistribution of funds.	State Budget Director	SAC and HAC subcommittees on Higher Education, SFA, HFA	September 30, 2018
265b (1)	Certification that university complies with Sections 274c and 274d, and complies with other requirements listed regarding Title IX investigations of alleged sexual misconduct.
