(a) Consensus Revenue Estimates, May 15, 2009.

(b) The first 4 percentage points of the 6% sales tax rate are assessed on the entire sales tax base (including residential utilities), whereas the last 2 percentage points are assessed on the entire sales tax base except residential utilities.

(c) There are four taxes on liquor: three have rates of 4.0% and they are earmarked to the General Fund, School Aid Fund, and the Convention Facility Fund, and one is assessed at 1.85% and is earmarked to the Liquor Purchase Revolving Fund.

(d) The beer tax of \$6.30/barrel is equivalent to 1.9 cents per 12 ounce can of beer. Increasing the rate by \$1/barrel would increase the tax/can to 2.2 cents.

(e) Tax on wine is as follows: Wine containing 16% or less of alcohol: 13.5 cents/liter; and wine containing more than 16% alcohol: 20 cents/liter.

(f) The real estate transfer tax is assessed when real property changes ownership and it is assessed on the transaction price.

(g) Senate Fiscal Agency estimate.
