STATUS OF LAWSUITS
INVOLVING THE STATE OF MICHIGAN**

**SENATE FISCAL AGENCY
LANSING, MICHIGAN
July 2022**

THE SENATE FISCAL AGENCY

The Senate Fiscal Agency is governed by a board of five members, including the majority and minority leaders of the Senate, the Chairperson of the Appropriations Committee of the Senate, and two other members of the Appropriations Committee of the Senate appointed by the Chairperson of the Appropriations Committee with the concurrence of the Majority Leader of the Senate, one from the minority party.

The purpose of the Agency, as defined by statute, is to be of service to the Senate Appropriations Committee and other members of the Senate. In accordance with this charge, the Agency strives to achieve the following objectives:

1. To provide technical, analytical, and preparatory support for all appropriations bills.
2. To provide written analyses of all Senate bills, House bills, and Administrative Rules considered by the Senate.
3. To review and evaluate proposed and existing State programs and services.
4. To provide economic and revenue analysis and forecasting.
5. To review and evaluate the impact of Federal budget decisions on the State.
6. To review and evaluate State issuance of long-term and short-term debt.
7. To review and evaluate the State's compliance with constitutional and statutory fiscal requirements.
8. To prepare special reports on fiscal issues as they arise and at the request of members of the Senate.

The Agency is located on the 8th floor of the Victor Office Center. The Agency is an equal opportunity employer.

OVERVIEW

The information in this document is based on reports filed by State departments and agencies under Section 396(3) of the Management and Budget Act (Public Act (PA) 431 of 1984), which is included in [Appendix A](#). Based on the amounts reported, the State of Michigan paid \$42.2 million for judgments and settlements in fiscal year (FY) 2020-21. Of the 154 cases that resulted in payments, 26 were judgments totaling \$12.2 million, and 128 were settlements totaling \$29.9 million.¹

Total payments in FY 2020-21 were \$17.4 million (29.2%) lower than the \$59.5 million reported in FY 2019-20. The department with the largest increase in payments from FY 2019-20 to FY 2020-21 was the Department of Health and Human Services (DHHS) with an increase of \$1.1 million above the previous year's total of \$189,000 (an increase of 596.4%). The department with the largest decrease in payments from FY 2019-20 to FY 2020-21 was the Department of State Police with a decrease of \$9.4 million below the previous year's total of \$13.7 million (a decrease of 68.8%).

Tables on pages 2, 3, and 4 provide a 10-year history (FY 2011-12 through FY 2020-21) of payments made by the State of Michigan. [Table 1](#) provides information on total payments (judgments and settlements), [Table 2](#) lists payments resulting from judgments only, and [Table 3](#) lists settlements. Judgments are official designations of the court acknowledging a plaintiff has prevailed over a defendant, most commonly after a trial. Settlements are agreements between the parties in dispute to resolve the litigation prior to trial. [Table 4](#) and the following narrative provide a summary of departments with payments totaling over \$1.0 million. [Table 5](#) on page 7 provides a history of Wrongful Imprisonment Compensation Fund payments, which began in FY 2016-17. [Table 6](#) on page 8 includes a history of payments from the State's Risk Management Fund for automotive liability. Payments from the Fund historically have not been included in amounts reported by departments. Also, small claims approved by the State Administrative Board are not included in this report. [Table 7](#) and the information on pages 9 and 10 provide an overview of cases that resulted in payments to the State.

The FY 2020-21 reports submitted by State departments and agencies on payments made by the State follow in [Appendix B](#), beginning on page 12. For each payment, the name of the case is listed along with information regarding the funding source, the county where the cause of action arose, and a brief description of the cause of action (summary of case). This report does not include payments resulting from workers' compensation or unemployment claims.

¹ The number of cases does not reflect total cases from Treasury. The Department of Treasury does not provide detail on various tax-related cases and various home protection unit victim reimbursement cases because of confidentiality requirements under Michigan Compiled Laws (MCL) 205.28(1)(f). Cases identified as "various" under Treasury in [Appendix A](#) are counted as a single case for the purposes of this report.

PAYMENTS BY DEPARTMENTS

In FY 2020-21, four State departments made payments totaling more than \$1.0 million. Table 4 and the following narratives summarize these payments.

Table 4
FY 2020-21
PAYMENTS BY DEPARTMENT

DEPARTMENT	STATE PAYMENTS	PERCENT OF TOTAL
Corrections	\$21,116,200.08	50.1%
Health & Human Services	1,316,270.50	3.1
State Police	4,262,871.48	10.1
Treasury	13,576,102.23	32.2
Other Departments	1,889,462.43	4.5
TOTAL	\$42,160,906.72	100.0%

Corrections

The Department of Corrections made payments in 100 cases totaling \$21.1 million in FY 2020-21, an increase of 46 cases and a decrease of \$5.4 million in total payments from the previous fiscal year. The smallest payment was a settlement of \$25 after an inmate accused the Department of failing to protect him from assault, and the largest payment totaled \$15.0 million for the settlement of a class action suit alleging that youthful inmates were housed with adults, endured sexual assaults by inmates and staff, were trafficked among other inmates, and were placed in solitary confinement after reporting incidents of abuse. The \$15.0 million settlement payment in October 2020 was the second of four payments; the remaining payments being a \$25.0 million payment made in October 15, 2021 (which will be included in next year's report), and \$15.0 million by October 15, 2022.

The Department also made a \$2.6 million payment to settle allegations that corrections officers refused to give an inmate in solitary confinement food, water, or medical attention until the inmate died of dehydration. Excepting the two large payments described above, the average amount of the remaining 98 payments was \$62,394.90. The median payout amount for all 100 cases was \$500.

Health & Human Services

The Department of Health and Human Services settled five cases in FY 2020-21 for a total of \$1.3 million, an increase of one case and \$1.1 million from the previous year. The payments included a settlement payment of \$775,000 after the death by drowning of an autistic, nonverbal child under DHHS care and supervision and a settlement payment of \$425,000 for alleged abuse and mistreatment of a patient at a DHHS psychiatric hospital.

State Police

The Department of State Police made six settlement payments in FY 2020-21 totaling \$4.2 million and five judgment payments totaling \$40,521.48. One settlement exceeded \$1.0 million in FY 2020-21. The estate of a deceased teenager settled a wrongful death claim against the Department for \$12.0 million after the teenager was stunned with a Taser while fleeing from a State Trooper on an all-terrain vehicle. The teenager crashed the vehicle and died shortly thereafter. The officer involved in the incident later was convicted of involuntary manslaughter. The settlement was divided into two payments, the first was for \$8.5 million in FY 2019-20, and the second was for \$3.5 million in FY 2020-21. The Department also settled a civil suit for \$600,000 in which it was alleged that State police officers violated the plaintiff's Fourth and Fourteenth Amendment rights while obtaining a confession from the plaintiff and a resulting conviction, which later was overturned.

Treasury

The Department of Treasury made payments totaling \$13.6 million in FY 2020-21, down from \$18.4 million from the previous fiscal year. Judgments and settlements designated as "Various for Tax Related Cases" accounted for \$3.3 million (24.1%) of FY 2020-21 payments made by the Department. Details on these cases are not provided because of MCL 205.28(1)(f). That section of the law provides, in part:

Except as otherwise provided in this subdivision, in subsection (6) or (7), or in section 23a, an employee, authorized representative, or former employee or authorized representative of the department or anyone connected with the department shall not divulge any facts or information obtained in connection with the administration of a tax or information or parameters that would enable a person to ascertain the audit selection or processing criteria of the department for a tax administered by the department.

Wrongful Imprisonment Compensation Fund Payments

The Wrongful Imprisonment Compensation Act (PA 343 of 2016) was enacted in 2016. The Act established a procedure by which an exonerated individual may file a claim for wrongful imprisonment, created the Wrongful Imprisonment Compensation Fund, and standardizes payments for those wrongfully convicted at \$50,000 for each year of incarceration. (Although the Department of Treasury is responsible for making payments from the Fund, it bears no responsibility related to the cause of action for each plaintiff.) When the Act was enacted, 66 individuals had been exonerated in Michigan since 1989. Over the last few fiscal years, judgments have begun to be paid out from the Fund.

Sixteen judgments under the Wrongful Imprisonment Compensation Act totaled \$10.3 million in FY 2020-21, down \$2.8 million from the previous fiscal year, which had 21 judgments for a total of \$13.1 million in payments.

Table 5 provides a history of wrongful imprisonment payments by fiscal year since the Wrongful Imprisonment Compensation Act was passed.

RISK MANAGEMENT FUND

The Risk Management Fund was established administratively to account for specific centralized risk management functions performed for all State agencies by the Department of Management and Budget (now the Department of Technology, Management, and Budget). Effective July 1, 1992, the State became self-insured for automotive liability claims. Motor transport charges to State departments and agencies include a cost associated with projected automotive liability. This amount is deposited in the State's Risk Management Fund. Automotive liability payments that do not exceed \$1.0 million are paid from the Fund. Table 6 provides a history of payments from the Fund. Amounts are reported based on the fiscal year in which the payment was made and, therefore, do not necessarily reflect the year in which the liability occurred.

PAYMENTS TO THE STATE OF MICHIGAN

Table 7 and the following information provide a summary of FY 2020-21 lawsuit payments to the State as reported by departments under Section 396(3) of the Management and Budget Act.

Table 7

FY 2020-21 JUDGMENTS AND SETTLEMENTS PAID TO THE STATE (Actual Dollars)	
DEPARTMENT	Amount
Attorney General	\$29,059,760.36
Corrections	2,388,354.00
Environment, Great Lakes, & Energy	14,492,055.38
Natural Resources	3,694,484.66
Transportation	1,887,723.10
Treasury	320,784,930.08
TOTAL.....	\$372,307,307.58

Attorney General

The Attorney General's office recovered \$29.1 million from 68 settlements and zero judgments in FY 2020-21. Collection amounts ranged from \$55.50 for attorney fees to \$16.2 million in opioid settlement payments. The Health Care Fraud division recovered \$2.9 million while the Corporate Oversight division collected \$9.9 million in consumer protection and antitrust settlements.

Corrections

All of the payments listed by the Department of Corrections resulted from judgments filed under the State Correctional Facility Reimbursement Act. The Department reported 304 cases with net payments to the State totaling \$2.4 million. Payments to the State ranged from \$20 to \$214,773.44. All but two cases resulted in a payment to the State of less than \$100,000, with an average payment of \$7,830.67.

Environment, Great Lakes, & Energy

The \$14.5 million recovered by the Department of Environment, Great Lakes, and Energy (EGLE) in FY 2020-21 mainly involved reimbursement for environmental contamination and other violations of the Natural Resources and Environmental Protection Act. Recoveries in those cases were deposited into various funds (e.g., Environmental Response Fund, Environmental Pollution Protection Fund, and General Settlement Fund). Settlement revenue is restricted by legal agreements or court orders for specific environmental cleanup activities at specific sites of environmental contamination or restricted to other environmental programs as appropriated. Of the 216 cases reported by EGLE, 39 were judgments totaling \$5.0 million, and 177 were settlements totaling \$9.5 million.

The largest payment reported was \$6.0 million (12 monthly payments of \$500,000) from Premcor Refining Group Inc. for violations of the Natural Resources and Environmental Protection Act. In total, 79 sites throughout the State were found to have leaks from underground storage tanks. The full settlement amount for these violations was \$35.2 million. Only the first \$6.0 million was required to be paid in FY 2020-21. The balance of \$29.2 million was due October 15, 2021, and will be listed on next year's report.

Natural Resources

The Department of Natural Resources (DNR) reported two judgments and five settlements with payments to the State totaling \$3.7 million. Payments to the DNR ranged from a \$275 judgment for a case involving trespass and timber theft on State property to a settlement of \$2.6 million with NCR Corporation related to soil contamination near the Kalamazoo River with polychlorinated biphenyls, or PCBs. The Department's share of \$2.6 million is part of larger consent decree in which NCR Corporation will spend \$135.7 million cleaning up contaminated soil, another \$76.5 million to the Federal Environmental Protection Agency, and \$27.0 million to Kalamazoo River trustees.

Transportation

Payments to MDOT totaled \$1.9 million from 37 settlements and 17 judgments in FY 2020-21. One of the judgments was for \$6,020.95 in nonpayment of permits dating back to 2010. All remaining payments received were for damages to the Department's property or clean-up costs as a result of motorist accidents. The payments received ranged from a \$200 settlement for damage to a bridge on northbound US-31 to a settlement of \$355,000 for damage to a Department guardrail and support pier at Salzburg Road on I-75 in Monitor Township.

Treasury

The Department of Treasury reported an annual payment of \$312.1 million related to the Master Tobacco Settlement Agreement; a 1998 settlement that resolved litigation regarding public health-related claims filed by Michigan and other states. The remaining \$8.7 million reported by Treasury came from various tax-related judgments and settlements, the details of which were not disclosed by the Department based on its understanding of MCL 205.28(1)(f).

CONCLUSION

This report provides a summary and analysis of information supplied by State departments under Section 396 of the Management and Budget Act (PA 431 of 1984), which is included as Appendix A. Reports submitted by State departments and agencies on payments made by the State are included in Appendix B. For each payment, the name of the case is listed along with information regarding the funding source, the county where the cause of action arose, and a brief description of the cause of action (summary of case). Further information on specific cases is the province of the defendant department and the Department of Attorney General.

APPENDIX A

Section 396 of the Management and Budget Act (1984 PA 431)

18.1396 Paying or recording certain expenditures from appropriations; notice of certain settlements or consent judgments; report.

Sec. 396. (1) From the appropriations contained in a budget act, a state agency shall pay or record expenditures for the following:

(a) Court judgments, including court approved consent judgments; all settlements, awards, and claims.

(b) Writeoffs of accounts receivable recorded in a prior year.

(2) The attorney general shall notify the senate and house appropriations committees, the speaker of the house, the senate majority leader, and the fiscal agencies within 14 days after entering into a settlement or consent judgment which would result in a state obligation that exceeds \$200,000.00. The notice shall include a summary of the facts of the case and the reason or reasons that the settlement or consent judgment would be in the best interests of the state.

(3) Before December 1 of each year, each principal department shall transmit to the appropriations committees and fiscal agencies a written report which includes all of the following:

(a) The total dollar amount of final judgments and settlements against the principal department for the most recent completed fiscal year.

(b) Each source of funding and item appropriating money in a budget act, which source and item is used to pay the judgments and settlements pursuant to subdivision (a).

(c) The total dollar amount of final judgments and settlements received in the most recent completed fiscal year pursuant to legal actions by the principal department.

(d) Each revenue account in which money was credited pursuant to subdivision (c).

(e) An estimate of the total dollar amount and a description of the facts involved in each court action currently pending against the department for the most recently completed fiscal year.
