Letter # 2022-2

Licensing and Regulatory Affairs

FROM: OCCUPATIONAL REGULATION

Medical marihuana facilities licensing and tracking	52940		(3,800,000)
Marihuana regulatory fund	1551	STRS	(3,800,000)

TO: OCCUPATIONAL REGULATION

Recreational marihuana regulation	61671		3,800,000
Marihuana regulation fund	1555	STRS	3,800,000

The Marijuana Regulatory Agency (MRA) supports the licensing and regulation of medical marihuana and adult-use establishments. These programs are supported by the restricted Marihuana Regulatory Fund (medical) and the Marihuana Regulation Fund (adult-use). To align with the changing market share between adult-use and medical marihuana, the MRA is shifting time and resources to the expanding adult-use regulatory program. This \$3.8 million transfer adjusts the program appropriations to reflect the shifting allocation of resources between the medical and adult-use programs. As a result of this transfer, the Medical Marihuana Facilities Licensing and Tracking line would decrease from \$11.6 million to \$7.8 million, and the Recreational Marihuana line would increase from \$7.4 million to \$11.2 million. The Governor's Executive Budget Recommendation includes a similar shift in resources from the medical to adult-use program in fiscal year 2023.
